DROP OFF AND PICK UPS

Thuruna St Campus – Parent may use the 2min drop off/pick up area at the front of the school. This is a 2min zone only and parents/ caregivers are asked not to get out of their car. This is a supervised area in the afternoon.

Early Years Campus
There is NO off-street parking at the Early Years Campus for parents. Parent parking is only available in Malwood Street and Detling Street and some parts of Chuter Street. Please be advised that local parking restrictions do apply during various hours of the day and that these must be adhered to for the safety of all.

Drop Off:
There are two possible methods of dropping your child off at school in the morning.

i Detling Street set-down

ii Malwood Street

Detling Street set-down
This is a designated drop-off zone. Parents/Carers are to approach this zone via Remick Street only. Vienetta Street IS NOT to be used as an access point. Parents drop their child off in this zone and move off. Parents are not to park or exit the car in this zone. Recently, parents are having their children place bags in the boot of the car. This can prove a safety issue with students stepping out onto the road to get bags out. A teacher is rostered on duty to monitor and assist students exiting the cars in a safe and efficient manner.

Malwood Street Parking
This is a designated parking area. Parents/Carers are to park in the street or surrounding streets and walk their children into school via the Chuter Street entrance.

Children must be walked into the grounds. For safety reasons, the driveway at the bottom of Malwood Street IS NOT an entry point for families.

Parking/Drive Through Zones:
There are three methods of picking your child up from school in the afternoon.

i Detling Street Set-down         ii Malwood Street         iii Council Bus

Detling Set - Down Area:
This is a designated Pick-up zone. Parents/Carers are to approach this zone via Remick Street only. Vienetta Street IS NOT to be used as an access point. Parents will be issued with name
cards. These name cards are to be displayed as the car approaches the zone. Again, parents are not to park or exit the car in this zone. If your child needs assistance with getting into the car, please ask the teacher on duty to assist. Staff are not permitted to secure children into child restraints.

Parents are to remain in the line until the cars ahead of them move off. Pulling out before this causes a potential traffic hazard. Patience and understanding is asked of all drivers at this time.

Recently, parents are having their children place bags in the boot of the car. This can prove a safety issue with students stepping out onto the road to get bags out.

All children should be picked up from this area no later than 3:05 pm.

To ensure that we are good neighbours, while queuing in the Detling Street Pick – Up, please keep neighbour’s driveways clear at all times.

**Malwood Street Parking:**
This is a designated parking area. Parents/Carers are to park in this street or surrounding streets and enter the school grounds via the Chuter Street entrance. Parents are asked to wait in the assembly area away from classrooms. No child will leave this area without a parent or designated carer. For safety reasons, the driveway at the bottom of Malwood Street is not an entry or exit point for families. All children should be picked up from this area no later than 3:05pm.

**TUCKSHOP**
Tuckshop is held on Wednesday at the Thuruna Street Campus and on Friday at the Early Years Campus. Tuckshop commences in the second week of the school year. A list of the foods served and their prices will be sent home to you in the first week of school each year.

Orders are to be placed on the Tuckshop day in class folders. Please note that the correct change would be appreciated, but change will be taped to the front of the bag if required. Parent volunteers are required to prepare the lunches and your help if available would be greatly appreciated.
