PARENTS

PLEASE ASSIST

Queen of Apostles School has a supervised school crossing on Thuruna St Stafford. Unfortunately supervision cannot be guaranteed during the period 7 September – 21 September 2012. Parents are asked to discuss safe crossing behaviours with their children.

Motorists are reminded to be cautious around the school environment.

The safety of the students at our school is extremely important and we would appreciate your co-operation with this matter until this crossing is fully operational. Please help us to provide a safe environment for our students.
