# Fees and Levies Fact Sheet

## **Tuition Fee**

This fee pays for the everyday operations of our school and general running costs. Additionally this fee pays the Archdiocesan Education Levy, set by Brisbane Catholic Education. Along with government funding, this levy provides for staffing and functioning of schools.

## **Capital Levy (per family)**

This levy is used to fund building works and to assist with any building programs; pay capital and interest on building loans and for the maintenance and upkeep of buildings.

## **Community Levy (per family)**

Combined with monies raised through fundraising events, this levy finances the Queen of Apostles Community Association (QACA) initiatives that aid the resourcing at Queen of Apostles. The levy ensures the equitable contribution for all families to activities of the QACA in support of our school.

## **Resource Levy**

Resource Levies cover a range of items including classroom and subject books/materials, Library books and other teaching and learning resources. They also cover the cost of excursions, performances, visiting authors and artists, the athletics and swimming carnivals.

## **Technology Levy**

This levy is used to cover the cost associated with our technology, IT infrastructure, IT support and insurances to support our iPad Program. This levy provides 1:2 iPad use in Prep and Year 1, 1:1 school based iPad program in Year 2 and in 2024 the 1:1 Program in Years 3 - 6 in which students will be able to bring their iPads home as per the IT agreement.
